Weddings, receptions and other special events held in the breathtaking gardens of the Dallidet Adobe and Gardens in San Luis Obispo are truly unique. Rustic paths and brick walkways wind their way through more than an acre of lush gardens – an historic and rich tapestry of ever changing beauty.

Small secluded niches invite guests to pause, relax and enjoy the glory of flowering shrubs, colorful flowers, and flitting hummingbirds. Dining is a delight in the shade of towering redwoods and spreading branches of avocado and olive trees a century and a half old.

This surprising jewel of a garden, tucked away in the heart of San Luis Obispo, is the perfect setting for your special event.
